

Fees, Licenses & Taxes

WHAT IT DOES FOR YOU

The **AccuFund Fees, Taxes and Licenses (FTL)** component tracks fees collected, licenses issued and sales and other taxes collected. For licenses issued, **AccuFund FTL** can automatically assign certificate numbers and determine amount to be collected. Fees and taxes collected includes all information required for reporting purposes. The **AccuFund FTL** component includes the functionality typically included in Sales Tax and Licensing modules in other software products.

becomes active in Cash Receipts. A user selects the type of fee or tax and the screen displays required fields to be entered. Information for each type of fee can be entered on the screen, or may come from the business record.

FTL is accessed and integrated with the **AccuFund Cash Receipts** module with amount due transferred automatically from license or tax entry.
